TO THE MEMBERSHIP, THE RANK AND FILE, OF THE CAW

A NEW VOICE

My name is Willie Lambert and I'm asking for your support in my bid to be elected National President of the CAW.

The CAW needs strong, effective leadership, a president with energy and integrity who believes that unions are a force for positive social change – and acts on that belief. A leader who is committed to working closely with our membership, and local leadership, in seeking greater advancement and security in tough times.

A leader that will support politics that serve the interests of working-class people.

The National President of our union, the CAW, is a pivotal agitator, advocate, and negotiator for a far more inclusive, secure, and collective life for our members, their loved ones, and the communities we reside in. We must demonstrate extraordinary capacity and far-sighted vision in service of our members. We must ask more of ourselves and our leaders.

I am confident that with your support, I can provide that leadership. It's your union, it is our union. The "U" in union is you.

A NEW VISION

To build a strong, active Union, we need to renew and evolve. We need an action plan that firmly grasps the stark reality of our times and finds practical solutions that serve our members. And we need a solid commitment to follow through.

HOW CAN YOU HELP?

Organize the members from your local union and attend your membership meetings, under new business make a motion to fully support Willie Lambert for CAW National President at the CAW Constitutional Convention in 2006, or download a resolution from our website.

THANK YOU

For this, I will present myself as a candidate with the unanimous endorsement of my Local Union CAW 1256, for the position of CAW National President at our upcoming Constitutional Convention this summer.

In Solidarity,
